

Examination Topic Frequency Analysis 2015 To 2023 (MCQ Papers)

Topic No.	Lesson/Topic Name	Total	Percentage Frequency
1	System Concepts for Object Modelling	44	17.9%
2	Object Oriented Software Development Process	23	9.4%
3	Computer Aided Systems Engineering	12	4.9%
4	Business Process Identification with Use Case Modelling	43	17.5%
5	Business Process Modelling with Activity Diagrams	18	7.3%
6	Structural Modelling using Class, Package Diagrams	52	21.2%
7	Behavioural Modelling using Interaction Diagrams	23	9.4%
8	Behavioural State Machines and Other UML diagrams	19	7.7%

9	Object Oriented Design	11	4.5%
10	Component Based Software Engineering	19	7.7%
11	System Modelling Using Case Studies	0	0.0%
Total		246	100.0%
